

IRISH DRESDEN

Factory Tours

Experience the Handcrafted Perfection
of Irish Dresden

Established in 1907 in Rudolstadt, East Germany, Irish Dresden has been producing handcrafted lace porcelain figurines and giftware from our factory in Dromcolliher, Co. Limerick for over 60 years.

The Saar family emigrated to Ireland from Germany and brought with them this unique craft. Since then Irish Dresden has been presented to many world leaders, film stars and celebrities.

Discover the Irish Dresden story, see the production process in action and visit our showroom containing memorabilia and handcrafted porcelain works of art.
